

Geoprocessing Services

Fernanda Heringer

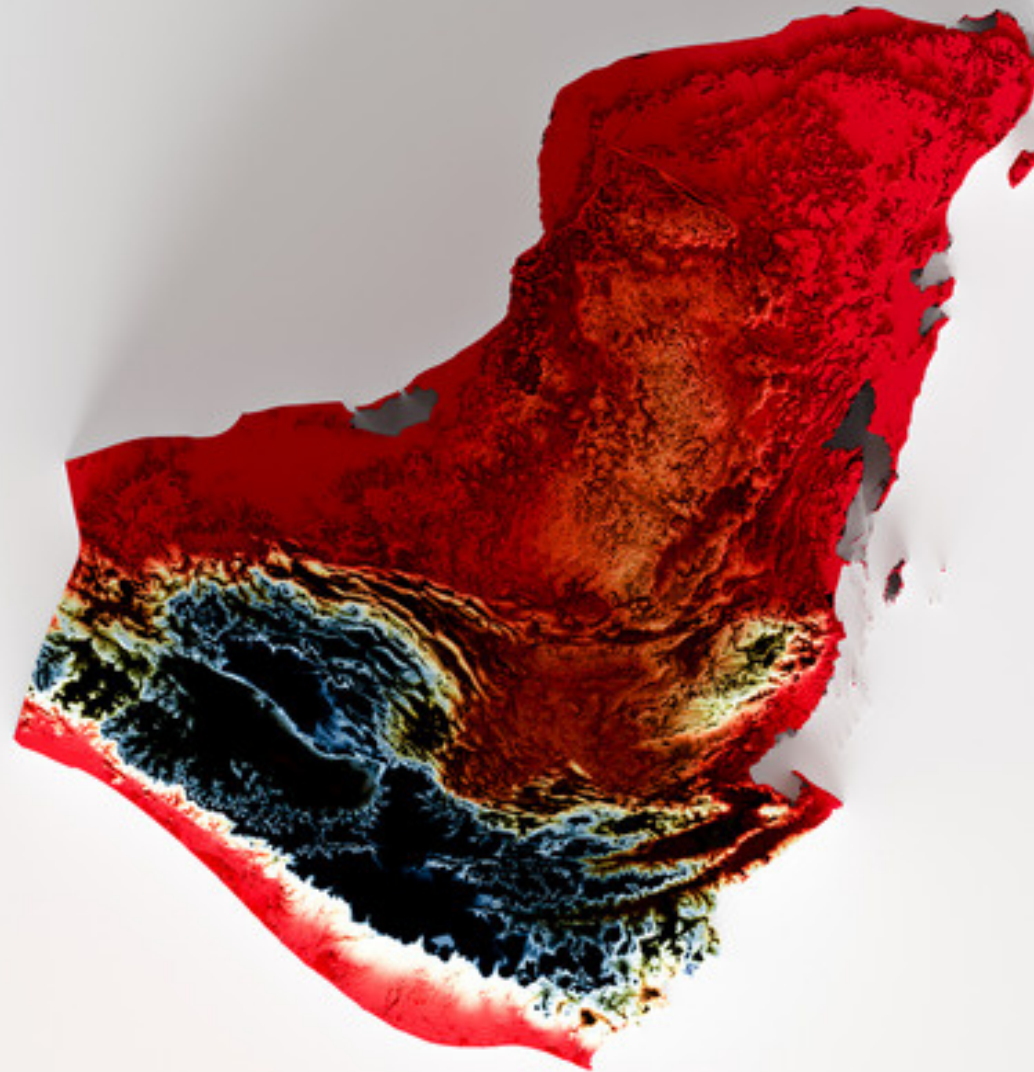

Who I am

My name is Fernanda Heringer, I'm currently studying Environmental Engineering at Veiga de Almeida University

I have a special interest in geoprocessing and started to study ArcGIS and QGIS. With focus to topographic maps

Império Maia

Império Maia: Civilização que teve seu auge entre 250 e 900 d.C., ocorreu onde hoje é a Guatemala, México, El Salvador, Belize e Honduras

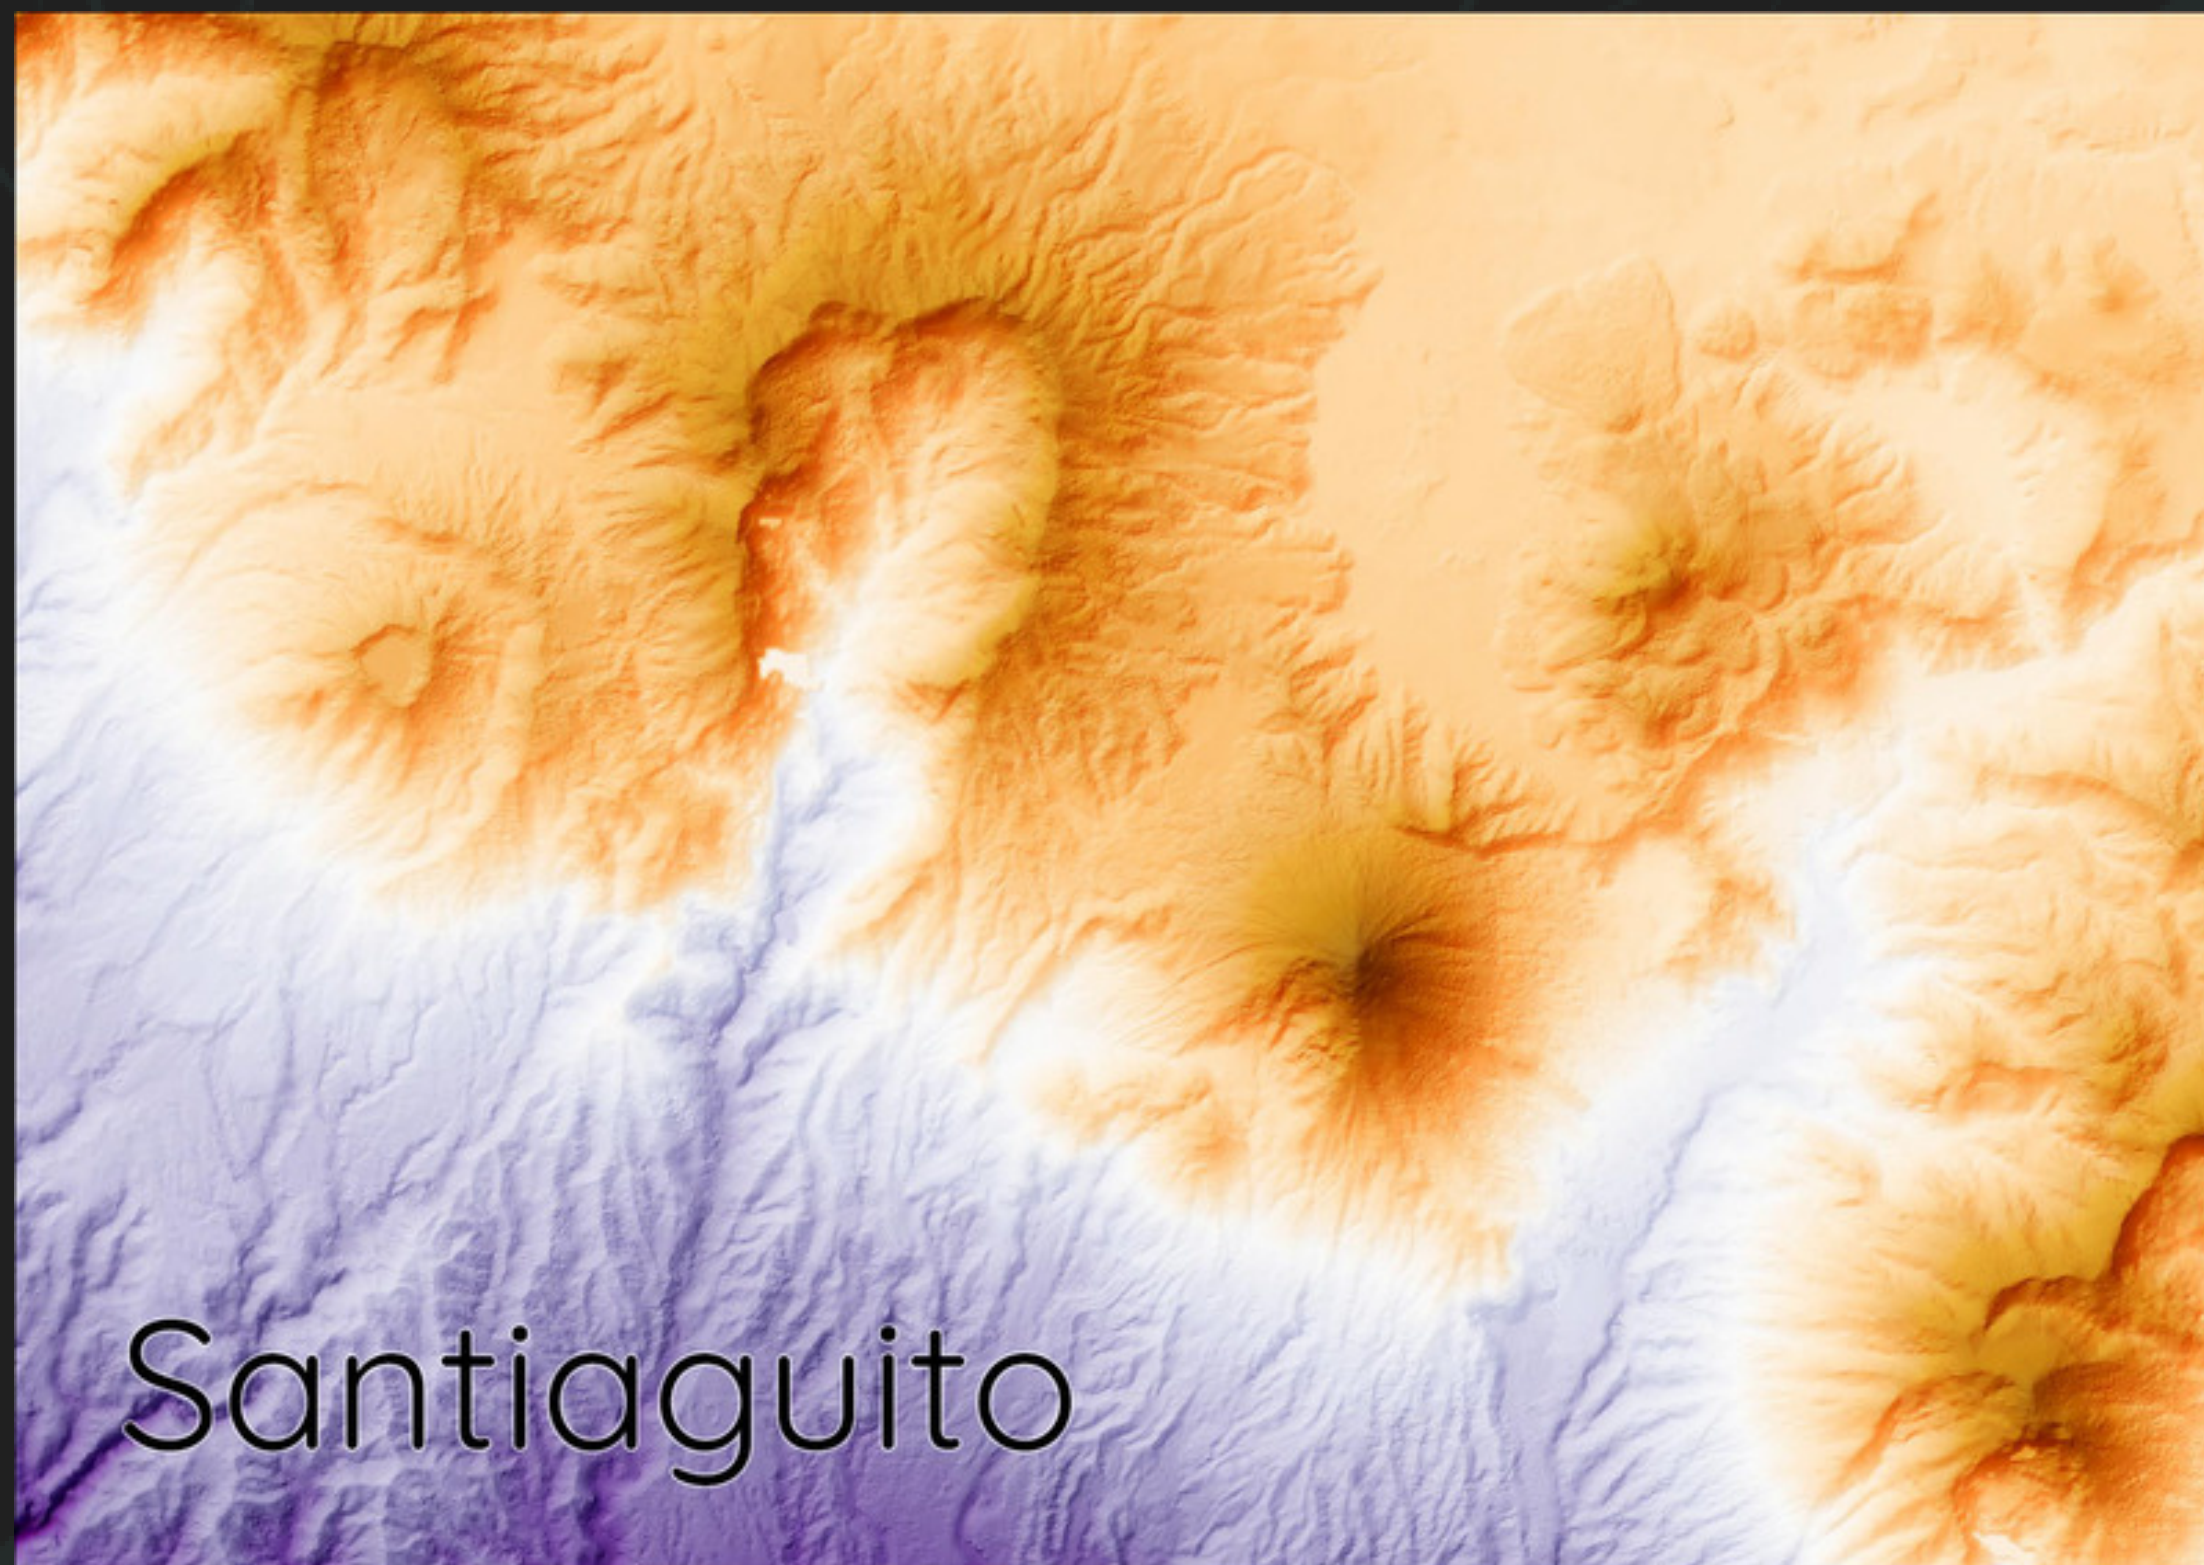

Sistema de Coordenadas Geográficas
SIRGAS 2000

0 125 250 km
