DETALHAMENTO DE MARCENARIA

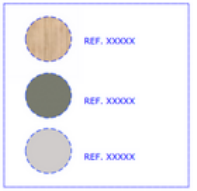

Com 4 anos de experiência no mercado de Arquitetura graduanda em Arquitetura na UFRGS, tenho como propósito auxiliar profissionais de Arquitetura de Interiores e Design de Interiores nas etapas de Detalhamento de Marcenaria. Etapa demasiadamente importante para a execução fidedigna de um projeto, e que, pela correria da rotina do profissional, não acaba recebendo a devida atenção ou tomando tempo das tarefas mais urgentes dentro do escritório.
