Lynn Eldridge

I'm an author, speaker, missionary, teacher and a life transformation trainer. Many years ago I was a defeated Christian. I had **bipolar and eating disorders**, I had **alcohol and drug addiction**, and I was struggling with **suicidal thoughts**. Then 10 years ago everything changed. **Jesus healed me** and through His love, I found freedom and I had to change everything in my life. Now I want to help you to completely transform your life too.

TESTIMONIALS

Here's what people are saying about **Lynn Eldridge's programs...**

Grace

I just finished a 5 week course with Lynn Eldridge, a walking miracle and testimony of the goodness of God. It was so inspiring. Thank you Lynn for all you do in championing and encouraging the body of Christ. I'm ready to subscribe!

Thank you, Lynn, for such powerful yet practical nuggets of God's goodness throughout the study last night. You just being real gives me hope in my daily personal struggles.

Alison

Lynn-I wanted to express what an amazing and incredible woman of the lord that you are! I haven't had breakthrough in an EXTREMELY long time and one conversation and prayer time with you, well let's just say-the lord broke through in miraculous ways! I'm grateful beyond words. It was a divine appointment. I had forgotten we had a phone appointment and thank goodness you text as a reminder. I have been so blessed by you!

This program has been personally life changing for me as God has used it mightily in my own healing journey. Lynn has gentle way of helping you understand the truth in love. She comes from stance of love with every module and the things that she shares within them. Lynn is a gifted teacher and mentor. What you will get out of this course is more than what you have imagined. If you are looking for someone to guide you along the way as you take the steps towards freedom in Jesus, this course is for you! Grace R

Before I met with Lynn, I was a Christian, born and raised in Church, and loved the Lord (more intellectually and surface). However, I felt a deep emptiness and distance from God. I felt like I was on a hamster wheel going in circles, not really going anywhere meaningful in life. As I prayed to God for help, eventually, I crossed paths with Lynn and we got connected.

Lynn took precious time each week to walk me through issues and help restore my identity and the insecurities I felt about myself. She gave me biblical truths and tools that helped me to build a true genuine relationship with Christ. She also restored hope to me, hope that unlocked my potential and the dreams.

God placed in my heart. I am eternally grateful for the ministry that took forth in my life with Lynn. She has been a major blessing to my life and I believe my family and generations to come will be impacted for the glory of Jesus Christ.

Amber

Just completed the study today. Wow! Absolutely amazingly wonderful. Lynn, I'm recommending it to our ministry receivers. It's so impactful, and will change lives. And coming out at this time of year - just before the new year - doubles an already powerful message. Praying for you, and that the Lord will continue to lead you to create even more messages with this power.

And here's what people are saying about Lynn...

I have known Lynn Eldridge for a long time, and am amazed at her life moving from the darkest of despair and deception to walking in the light of a new freedom. Lynn has even traveled with me on trips to other countries to minister to other people. I recommend Lynn's ministry!

Randy Clark

With courage and vulnerability Lynn Eldridge invites us along on her journey from great darkness into the life and light of Jesus. From drug cartels, psychiatric hospitals, mental regions, sexual abuse, global travel, and healing services Lynn shares that only a truly supernatural encounter with God Almighty coupled with loads of forgiveness and strong believers making alongside can bring us this healing freedom. I've seen so many people set free by Jesus from spiritual, mental, and physical torment. Lynn has been powerfully set free by The Lord. Celebrate with her as you read this compelling story.

O que é o vitrismo?

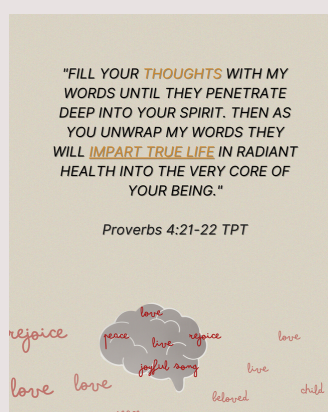

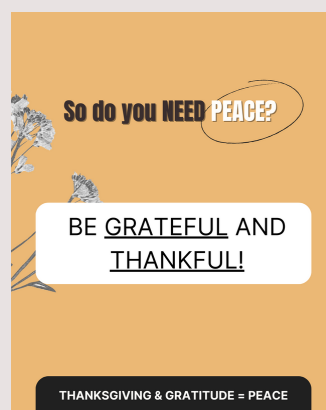

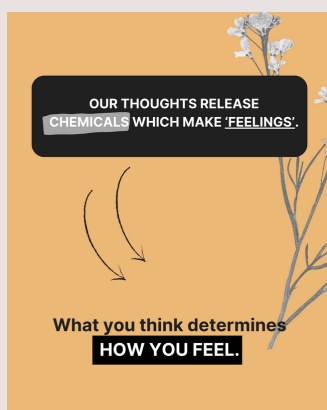

Vitrinismo é um conjunto de técnicas utilizadas na montagem de vitrines, para transmitir ideias, sensações ou emoções para quem as observa. Através de uma vitrine, o cliente tem contato com a marca, entende seus valores e quais são os produtos que vende.

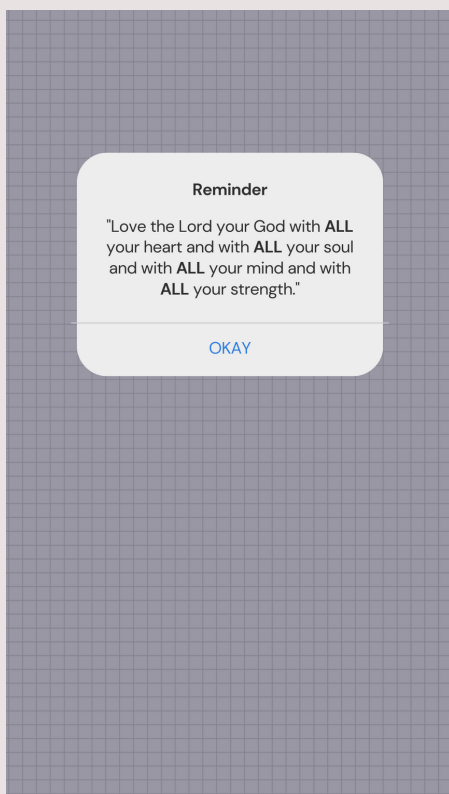

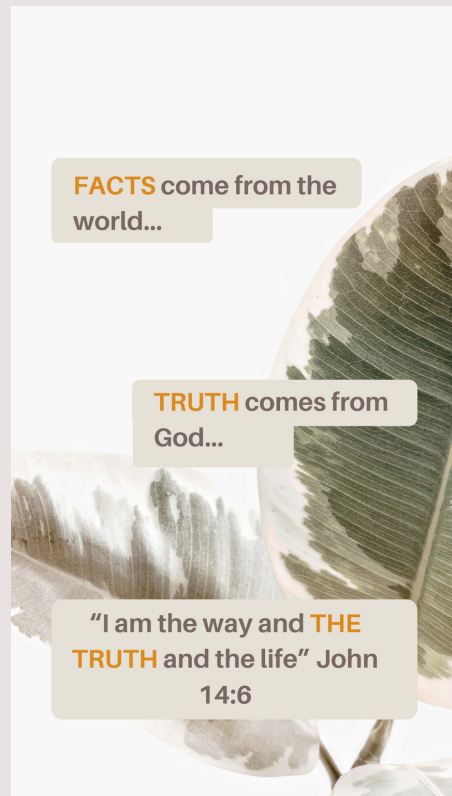

Dados do Sebrae afirma que até 80% das vendas de uma loja podem ser motivadas pela vitrine e 30 segundos é o tempo médio para despertar o interesse do consumidor diante de uma vitrine. Por isso o vitrismo é tão importante.
