## PROFESSIONAL SUMMARY

Experienced professional with over 10 years in corporate and musical events, specializing in assembly, operation, coordination, and technical support for audiovisual equipment. Proven expertise in managing high-profile events in Brazil and abroad, delivering top-tier technical solutions and ensuring excellent customer service.

Recognized for successfully working with renowned artists and prestigious events, showcasing the ability to handle high-pressure environments and complex demands. Valued by clients and peers as a committed, adaptable professional with strong interpersonal skills.

## EDUCATIONAL BACKGROUND

Incomplete Bachelor's Degree - Languages (Portuguese/English)

Veiga de Almeida University (UVA) – Tijuca Campus, Rio de Janeiro

## PROFESSIONAL EXPERIENCE

**Freelance Audiovisual Technician - Corporate and Musical Events Circuit**

(2020 – Present) - Provided technical services for companies such as V Guedes Multimídia, RB Conecta, and Artifício Eventos. Responsible for assembling, operating, and disassembling audiovisual equipment for corporate events, trade shows, congresses, and concerts. Assisted clients in selecting tailored technical solutions to meet event requirements.

**Full-Time Audiovisual Technician – Konigswinter Audiovisual do Brasil**

(2012 – 2020) - Coordinated and operated events in major convention centers and hotels in Rio de Janeiro, including Windsor Hotels, Copacabana Palace, and Riocentro. Conducted technical visits to determine equipment needs, ensuring the technical feasibility of events. Supervised teams during high-profile events, maintaining exceptional technical standards and service quality.

**Sound Technician – New York, USA - (2003 – 2005)**

Worked at prestigious clubs such as Blue Note and Smalls Jazz Club, collaborating with artists like Chick Corea, Marcus Miller, and Stanley Clarke.

Gained experience with advanced equipment and diverse musical styles, earning recognition for professionalism in the international market.

**Audiovisual and Sound Technician - RJ-SP Music Circuit - (1990s – Present)**

Collaborated with renowned artists such as Dr. Sin, Flávio Venturini, Zimbo Trio, Gal Costa, Zeca Pagodinho, and many others. Gained extensive experience in large-scale events, including orchestras, samba schools, and festivals.

## MAJOR EVENTS

RIO+20, 2014 FIFA World Cup, and 2016 Olympics – Full technical support for large-scale events.

Rio Film Festival (2013-2019) – Audiovisual coordination.

2013 Laureus Awards (Rio de Janeiro) – Event featuring Morgan Freeman and Michael Phelps at Theatro Municipal.

2013 World Youth Day – Event with Pope Francis at Copacabana Beach.
