

AS AVENTURAS DE GURI E GURA

MISA

PT-BR

Este projeto é uma releitura das ilustrações da clássica história de Rieko Nakagawa.

O que me inspirou a criar essa adaptação foi o encanto que senti ao ler "A Biblioteca dos Sonhos Secretos".

A partir daí, percebi o quanto queria me dedicar a dar vida a livros infantis explorando cores, traços e personagens que despertam imaginação e afeto nas crianças.

ENG

This project is a reinterpretation of the illustrations from the classic story by Rieko Nakagawa.

What inspired me to create this adaptation was the enchantment I felt while reading What You Are Looking For is in the Library.

From that moment on, I realized how much I wanted to dedicate myself to bringing children's books to life exploring colors, lines, and characters that spark imagination and affection in young readers.

PT-BR

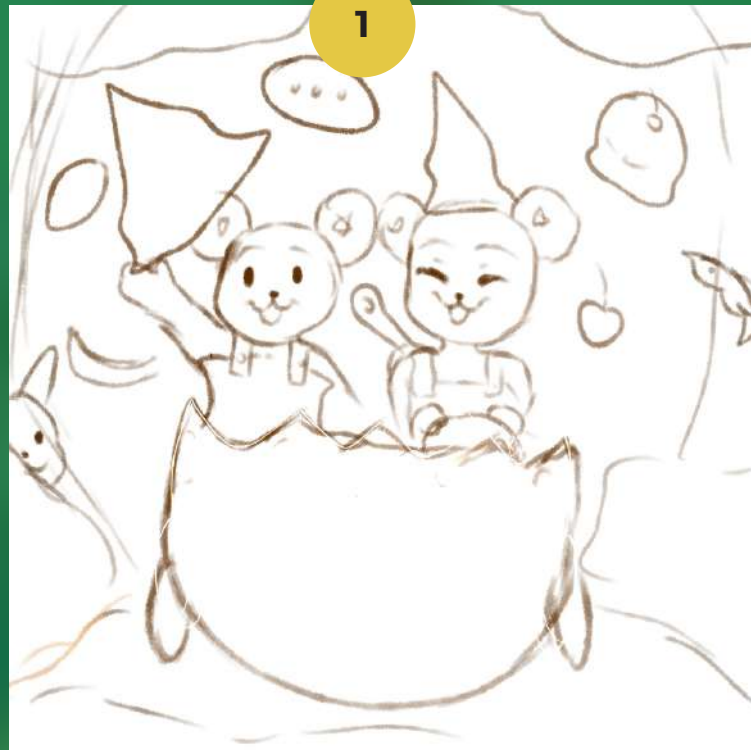

Guri e Gura encontram um ovo enorme na floresta. Eles decidem fazer uma panqueca gigante, e todos os animais da floresta se reúnem para saborear juntos.

ENG
